"OPERATION KID SAFE" COMING

Are your kids safe? Over 3,000 kids are reported missing each year in the U.S. If this happened to your family, what type of information could you give to police?

Carolina Honda has the answer: Operation Kid Safe, and it's FREE at Carolina Honda. Make plans to visit us Saturday, April 4 from 10AM to 5PM, or Sunday, April 5 from noon to 5 PM, no appointments necessary either day.

Carolina Honda has arranged for Operation Kid Safe to come to Columbia with a special machine designed by the FBI to take a digital photo and fingerprints. The cost to you is nothing — Carolina Honda is sponsoring this because we care about you and the safety of children.

If you'd like any additional information, contact us at (803) 252-3381 or e-mail me at jwertman@carolinahonda.com.

Visit www.carolinahonda.com for more important information about this event.

Spread the word and come early. We expect a large crowd since this has not been done in the Columbia area in years.

HONDA PRICE INCREASES

On April 1, American Honda will increase pricing on all of their models. We will do our best here at Carolina Honda to make that a minimum impact on our customers. But if you're in the market for a new Honda, I highly recommend you buy it by March 31, 2009.

This increase will affect every Honda dealer in the U.S. All of the other major brands

have already had an increase in the price of their units, or will be doing so by April 1. Price increases will affect every power sports company, not just Honda.

Thank you for understanding. We'll always provide you with the best deal and the best service. We don't know how to do it any other way!

Carolina Honda will be the first dealer in SC to unleash the new Honda Fury on April 1st. We're planning a Fury Demo Day on Saturday April 11, so if you want to ride a 633-pound chopper that's the best newly-designed motorcycle in the world, come on down! You always get the first showing at Carolina Honda.
